Hiphop Program follow-up questions Resolute Nunavut Feb 2013

Mark the box with an X that best describes how you feel about the questions or statements. Scores were tabulated and compiled at a rating from 0 to 100%. 100% being the most positive response. Please note that there may be a small margin of error as some of the youth may of mis interpreted some of the questions even though attempts were made to read each question for them and explain it. For some of the youth their English skills were not that strong in reading and writing. Written responses to some of the open ended questions are noted on the original evaluations – re: only the 15 initial questions are represented here.
